Solid State Module (SSM) design
Form factor MO-300 (half-size)
Interface mSATA 3Gb / s
Read 245MB / s
Write 48MB / s
IOPS 4K read / write 4.285k / 0.219k
2D-NAND MLC memory modules
Reliability forecast 1 million hours (MTBF)
Protocol AHCI
Data protection features N / A
Power consumption no information (maximum), 1W (operation), 0.5W (idle), no information (sleep mode)
dimensions 29.85x26.8x3.85mm
